

Route to Casa Bolsinina

Casa Bolsinina is about 18 kilometer south of Siena.

Coming from the north take the highway from Firenze to Siena. Exit the highway at **Siena-Sud** and follow the signs for the road named '**Cassia SR 2**' in the direction of **Buonconvento - Montalcino**.

Stay on the road '**Cassia SR 2**' for about 18 kilometer crossing several villages, always driving in the direction of Buonconvento - Montalcino, till '**Km 209**'. At '**Km 209**' turn to the left for **Casale - Caggiolo** and continue on a gravel road (only a small part is asphalted) another 2 kilometer. Then turn to the left again. By now you can see Casa Bolsinina on the left hand and about 500 meters later up the hill, you are in place.
